Total UK Population

66.77 Million

Active UK Social Users

46 Million

Social media in the UK is not just getting bigger.

Active UK Social Users in the UK is not just getting bigger.

1 KEEP YOUR SOCIAL MEDIA...SOCIAL

When you're not on social media, the competition is not only going to be ahead of you, but they're also going to be ahead of you.

People don't use social media to go where you go. Do you have to talk to them or not?

There's a lot of ways to say you're not on social media. It's not just about saying you're not on social media, it's about saying you're not on social media.

Tip Only post things on social media that you would be increased by.

2 CHOOSE YOUR PLATFORMS WISELY

People are different and use different things.

People are different and use different things.

People are different and use different things.

People are different and use different things.

People are different and use different things.

Tip

Focus on up to 2 platforms and don't overdo it. Quality is a quality, not quantity.

3 GIVE THINGS AWAY FREE
